Kettle Collection

In warm copper and brass, kettles become things of beauty. We import this choice selection from England and Germany to present the utmost in decorative appeal and practical use. All are polished and lacquered outside, tin-lined inside. All come with tag which gives instructions for lacquer removal, when kettles are to be used.

OFFER YOUR HEART on Valentine's Day to a fair lady who knows a good thing when she sees it. And if it's this sweet heart of heavy silverplate, she'll use it for cards on the hall table, for pins in the guest room, lipsticks on her dressing table, after-dinner mints on the coffee table. 5" wide, $2.50 including tax and postage. Zenith Gifts, 2674 Valentine Ave., New York 58, N. Y.

FARM HOUSE TEA KETTLE. Even the name sounds cozy. You think of an old-fashioned kitchen, pine cupboards, and copper pots. Or of a chintz living room, a fire crackling at the hearth. Or you think of 4 o'clock in the office, and a pause in the clacking of typewriters. 6-cup pottery kettle on iron crane with candle warmer. $9.95 ppd. Hempstead China Shop, 264 Front St., Hempstead, N. Y.
